WHEREAS, on March 31, 2010, AliKat’s and the Bank’s boards of directors, at duly constituted meetings, adopted resolutions authorizing and directing Patricia A. Clausen to consent to this Agreement on behalf of AliKat and the Bank, respectively, and consenting to compliance with each and every applicable provision of this Agreement by AliKat, the Bank, and their institution-affiliated parties, as defined in sections 3(u) and 8(b)(3) of the Federal Deposit Insurance Act, as amended (the “FDI Act”)(12 U.S.C. §§ 1813(u) and 1818(b)(3)).

Corporate Governance and Management Review

1. (a) Within 60 days of this Agreement, the boards of directors of AliKat and the Bank shall complete an assessment of the Bank’s management and staffing needs and the qualifications and performance of all senior Bank management. The primary purpose of the review shall be to aid in the development of a suitable management structure commensurate with the size and complexity of the Bank that is adequately staffed by qualified personnel (the “Management Review”). A copy of the Management Review shall be provided to the Reserve Bank and the Department at the same time that it is provided to the boards of directors. The Management Review shall, at a minimum, address, consider, and include:

- (i) the identification of the type and number of officers needed to manage and supervise properly the affairs of the Bank, restore and maintain the Bank to a safe and sound condition, and comply with the requirements of this Agreement;

(ii) the identification of present and future management and staffing needs for each area of the Bank, particularly in the areas of credit risk management, loan underwriting, credit administration, and problem asset resolution; and

(iii) an assessment of the current structure and composition of the board of directors' committees, and a determination of the structure and composition needed to adequately supervise the affairs of the Bank.

(b) For purposes of this Agreement, the term "outside director" is defined as any director who is not an executive officer or principal shareholder of the Bank, as defined in Sections 215.2(e)(1) and 215.2(m)(1) of Regulation O (12 C.F.R. §§ 215.2(e)(1) and 215.2(m)(1)) of the Board of Governors of the Federal Reserve System (the "Board of Governors").

2. Within 30 days of receipt of the Management Review, the boards of directors shall submit a written management plan to the Reserve Bank and the Department that fully addresses the findings and recommendations in the Management Review and describes the specific actions that the boards of directors proposes to take in order to strengthen the Bank's management, and to hire, as necessary, additional officers or staff to properly manage and operate the Bank.

majority of the full board of directors or a designated committee thereof. The board of directors or its committee shall document in writing the reasons for the extension of credit, renewal, or restructuring, specifically certifying that: (i) the Bank's risk management policies and practices for loan workout activity are acceptable; (ii) the extension of credit is necessary to improve and protect the Bank's interest in the ultimate collection of the credit already granted and maximize its potential for collection; (iii) the extension of credit reflects prudent underwriting based on reasonable repayment terms and is adequately secured; and all necessary loan documentation has been properly and accurately prepared and filed; (iv) the Bank has performed a comprehensive credit analysis indicating that the borrower has the willingness and ability to repay the debt as supported by an adequate workout plan, as necessary; and (v) the board of directors or its designated committee reasonably believes that the extension of credit will not impair the Bank's interest in obtaining repayment of the already outstanding credit and that the extension of credit or renewal will be repaid according to its terms. The written certification shall be made a part of the minutes of the meetings of the board of directors or its committee, as appropriate, and a copy of the signed certification, together with the credit analysis and related information that was used in the determination, shall be retained by the Bank in the borrower's credit file for subsequent supervisory review.
