

Micro Report Series Description

Series Mnemonic	IBFS
Series Name	Cumulative Report of International Banking Facility Assets and Liabilities Shifted from the U.S. Offices of the Establishing Entity; FR 2076
Starting and Ending Date	December 30, 1981 August 31, 1983
Frequency	One-time

Reporting Panel

Every International Banking Facility (IBF) is required one time to report the cumulative amounts shifted from U.S. offices of the establishing entity to their accounts during their first four weeks of operation. This total should reflect the summation of the amounts shifted to the IBF's accounts when the accounts are actually shifted or reclassified and should not reflect any net additions or deductions that were made to such accounts after being shifted to the IBF. (See the IBFW series for details.)
