Subject: Part 271 Rules Regarding Availability of Information
Date: Thursday, October 15, 2020 11:59:45 AM

NONCONFIDENTIAL // EXTERNAL

Powell says every will be transparent but nothing is. This the same game that has been going on since 2006. Why are you withholding information. Who are you protecting. I doubt it is the public. Likely protecting the Cabal that caters to the big banks and trading houses, who, apparently live by different rules than the retail traders who don't have dark pools to wok with.

Thank you,
Jim Ordway
Hartland, Wi.
