**Subject:** proposing in changes to its FOIA rules for the FOMC.  
**Date:** Tuesday, October 20, 2020 1:19:05 PM

---

NONCONFIDENTIAL // EXTERNAL

Transparency is the only hope for our country and it's financial future. Any changes to limit transparency will be judged harshly in the future as part of the cause for the demise of a once great economy and democracy. The actions of the Fed must be subject to FOIA rules or if not just end the Fed for god's sake.
