As indicated at the March meeting of the FOMC, Chairman Burns plans to call for a special session of the April meeting, beginning at 4 p.m. on Monday afternoon, April 14. This session will be followed by a dinner of Board members and Reserve Bank Presidents, and if it appears desirable, by a resumption of the FOMC meeting in the evening.

The regular session of the FOMC meeting will begin on Tuesday, at 9:30 a.m. A luncheon in honor of Mr. Coombs is planned for 1 p.m. on Tuesday, to which all participants in the FOMC meeting are invited. You may also want to allow for the possibility that the Tuesday session will resume in the afternoon.

The agenda for the April meeting will be distributed early in the week of April 7.
