The Chairman has called for the Committee to meet by videoconference tomorrow (Sunday), May 9, at 11:15 a.m. (Washington time). You are requested to participate from a Federal Reserve facility if at all possible. Please let me know if you will not be taking the call from your usual location so the appropriate arrangements can be made. (Arrangements are already being made for participants at the BIS.) Standard FOMC meeting attendance rules will apply.

Videoconference support personnel at the Reserve Banks and at the Board are being alerted and will facilitate the call. Here at the Board, the call will take place in the Special Library.
