Summary: Staff of the Prudential Regulators and the U.S. Commodity Futures Trading Commission met with representatives of SIFMA, Citigroup, Credit Suisse, Goldman Sachs, and Morgan Stanley (the “Representatives”) to discuss issues related to the proposed rule issued on margin requirements for covered swap entities under Title VII of the Dodd-Frank Act. The Representatives discussed issues of concern including the timing of the proposed margin requirements, the treatment of inter-affiliate swaps, cross-border application of the proposed margin requirements, segregation and custodial requirements, treatment of novations and legacy swaps, and the limitation of variation margin to cash.
