Postal (if outside the U.S.):

Your comment: Has the federal government consider issuing a 25 /50/75/ up too 100 year bonds to cover c-19 cost we need to be prepared to cover appx up to 50trillion buy the time that the total 2020 c-19 is complete. also the dollar needs to become consolidated value of up to ten dollar value at the point of sale use end, i will explain this if asked too.
