To whom it may concern;

I am a Sr. V.P. / Lender of a CDFI bank located in rural Louisiana, our Board Of Directors, Senior Management are very excited about the ECIP.

It will allow us to increase the level of lending and reach more customers and non-customers .

Rural America, minorities, along with the working poor have been very affected more so than others by COVID-19, these ECIP funds will be such a huge impact for CDFI/MDI banks.

I am asking you to hear our message and to work with the Fed in this matter.

Very Truly Yours;

J.D. Hartley
