Address line 2:

City:

State:

Zip:

Country: UNITED STATES

Postal (if outside the U.S.):

Your comment: I support improvements in the CRA, and hope you will also. Banks have been woefully outsized in wielding power and bias that damages our nation and underserved communities in particular. Anything that can be done to better enforce established laws and regulations, while better serving the American people is worth the cost. Capital already served itself well enough and will find a way to do so regardless.
