Your comment: Banks and people of power to say someone is not competent to take care of there affairs,without the proper channels and complete Knowledge and 100 proof of the actual person to say yes or no to have a person or someone of higher authority to just take over that person's life and accounts.Being of Alaskan Native and fighting for minority rights and I have been going thru the proper channels to get my native American rights, just to have a person that has not one right to any Alaskan Native Rights take from my ansestors and my heir rights.My grandfather and grandmother wanted to leave a legacy for their own not for a person that would defy my heritage left to me.My constitutional rights have been stolen from me.saddens me .
