State: NC
Country: UNITED STATES
Zip: 27944
PostalCode:

Comments:

I use my debit card almost exclusively in place of cash. I depend on the receipt provided during POS to make entries and balance my checkbook. I expect a receipt to be issued any time I make a purchase whether in cash or by debit/credit card. I would not shop anywhere that doesn't provide a receipt regardless of the amount. Further any disputes that arise from fraudulent charges would be impossible to resolve in my favor.
