Federal Reserve Board Email comments

Dear Email comments,

I can't tell you how many times I've received a bill from a credit card company only days before my balance is due. I have 5 kids, work full-time and go to school part-time, so as you can imagine, it can be difficult to keep up with due dates when I don't have a fair reminder in the form of a bill. Sometimes I don't even get a chance to open my mail for several days, much less look at it - 2 or 3 days notice is simply not sufficient.

I'm more than happy to make my payments and always try to do so on time as long as it is possible - but without enough notice, it can be next to impossible.

.

Sincerely,

Mr. Aaron Bratton
