

From: Genevieve Tregor
Subject: Electronic Fund Transfers

Comments:

I have an excellent bank, USAA, which does not penalize with fees for overdraft, etc. I am very fortunate. I am aware, however, that most banks do not function under such a high moral code.

Please vote for the "opt-in" rule!

It's a crime what these banks are getting away with, stop these kinds of abuses on the consumer.

Thank you,
Genevieve Tregor
