Please pass the Opt-in law for this huge rip off, over the years I have lost thousands of dollars because of a service I didn't even want. I would much rather bounce a check or not be able to use my debit card if there weren't sufficient funds in my account. In this day and age it is possible to track your balance but I shouldn't have to. Its either I have it or I don't.

Again please stop these banks from stealing my money without my consent.

Thank you,

Charles Gregonis
