Federal Reserve Board Email comments

Dear Email comments,

Stop these overdraft and other fees for the right to use our OWN money. Enough is enough. These same banks, who often lent money irresponsibly, even criminally, attempt to constantly drain the working man and woman and child. These flat fees are wrong. END this extortion.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Sunil Misra
