I WANT THE OPT-IN RULE. I'm sick of my bank charging me for overdraft instead of simply declining my card. They tell me to "monitor my account" better, but in this day of electronic payments, I make dozens of small payments a day - it would be difficult to keep a ledger that accurate. If a new bank opened that offered TRUE customer service, I would switch immediately.

OPT-IN RULE.

DECLINE MY CARD.

STOP THE "LOAN" OVERDRAFT SCAM
