Subject: Electronic Fund Transfers

---

Comments:

I would like to see an "opt-in" rule passed for overdraft protection. I balance my account every day, but I'm human and mistakes happen. If I attempt to use my debit card and don't have the funds to cover it, I would like to be able to stop the transaction before the situation is compounded by being charged a hefty fee by my bank for allowing the transaction to be completed.

Thanks,

Karen Carter
