Federal Reserve Board Email comments

Dear Email comments,

I have paid close to a thousand dollars in 2008 to these bogus fees! My bank will pay the one large check so they can make big bucks on several small purchases! One time, if you would have added them all up, I would have only been two dollars short on my account to cover them all. This amounts to criminal conduct and it has to stop!

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Wesley Mitchell
