Dear Email comments,

we are now see the banks are not doing there jobs buy in crises we are  
in and well there making billions and now they can't there own mistake.  
So why should they decide if they can overdraft anybody when they have  
money and there ones making the mistake now consumer so. change the  
system straight up. .

Please allow me the chance to opt-in to overdraft services. This is the  
only way that I will truly feel protected.

Sincerely,

Mr. keokuk oosahwe
