Hello There, My plan to create a private/public partnership with the government to help save homes in the Southern California area. The two hardest counties are San Bernardino and Riverside and are in my local area that I would like to work on first. This program is a win- win - win for the Homeowners, Banks and the US Taxpayers. This would be a pilot program and can be expanded as time goes on and funding available. If you are not the correct dept, please forward on my info and "cc" me to who is. Look forward on hearing for you soon and to discuss the plan in more detail.

Thanks,
Tom Alexander
