Dear Email comments,

Business practices of Banks and other loan companies need to follow a guide line thats fair to the consumers and not be allowed to act like loan sharks.

There should be a commity set up to review guide lines and redo them so every one is treated fairly. I would love to be on that Commity. It's over due that all high profile or small business"s are held accountable for their actions of cheating the people.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mrs. Mary A Blair
