Federal Reserve Board Email comments

Dear Email comments,

Given the current state of the economy you must take action to stop the constant rip offs being perpetrated on the public by the banking industry who seek only to get rich off the backs of their customers, your constituents. Please help the Fed crack down on these get rich schemes the banks have devised to steal money from us.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Edward Feldman
