Federal Reserve Board Email comments

Dear Email comments,

The Dems won, they lost.
Stop caving in to the GOP, we voted for the Dem plan.
Harry "Fraidy Cat" Reid and Patrick "Cave In" Leahy
must be replaced w/ people who aren't afraid of the GOP.
Quit screwing around and pass the bill.

Make them ACTUALLY FILLIBUSTER if that's what the GOP wants.
Get out the cots, order some pizzas and let the GOP tell the American
people why they are obstructing Obamas plan for as long as they want to
talk.

Stop letting the GOP dictate and control the agenda.

Please allow me the chance to opt-in to overdraft services. This is the
only way that I will truly feel protected.

Sincerely,

Mr. Dennis Feichtinger
