Dear Email comments,

It used to be that you protected the banks from robbers, but now you need to protect the public from the robber banks. Our system doesn't work when the big businesses can fleece the public -- mostly the poor that can't afford it. We have a system designed to transfer the wealth of the poor into the pockets of the rich. Enough!

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Ms. Dianne Thompson
