Dear Email comments,

Credit card companies are abusing and ripping off hard working people trying to make a living as they raise the interest rates to unbelievable amounts of 30% making it impossible to pay off..chase is especially notorious for this practice..they suck you in and then take advantage at the first chance they get..please do something to regulate this unfair practice...sincerely, robin leclerc

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mrs. Robin Leclerc
