Federal Reserve Board Email comments

Dear Email comments,

I am sick and tired of our government doing nothing to stem the tide of this idiocy. How about protecting us? We voted you in for some reason and I believe it was to take care of our interests so please do your job and maybe we will keep you in office!

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mrs. Judith Fronk
