Dear Email comments,

Dear Legislators:

I support the initiative to remove the automatic overdraft plan for ATM machines. It is key in these times of financial strain that, as a society, a government, our elected officials protect the consumer to the greatest extent possible. I urge you to consider this change and hope you support it.

Thank you for listening and for serving our community and the American people - the greatest people in the greatest nation on earth!

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Dr. Donald Ucci
