Federal Reserve Board Email comments

Dear Email comments,

My son overdrew his account by a few dollars several times- each time he was charged \$35 which made his account more deeply overdrawn since he hadn't seen the overcharges.

All in all it made it very difficult to teach him about keeping his accounts straight.

More rip offs from our monolithic bankers

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Tom Jackson
