Dear Email comments,

The practice of slow deposit and withdrawal updates into bank and credit card accounts is BS. Then by magic what you saw as transaction details one day change to another order the next day so that fees and charges are maximized against your account. Truly all these thives should be jailed for life.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Robert Pauze
