Dear Email comments,

The bottom line is you cannot stall the enevitable bad karma that eventually will tackle America. I am sure all of your family members are not bankers. Your families future generations will also be at risk not just you.

Isn't it about time banks and credit card companies did the right thing by their country?

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Ms. Annette Reinheimer
