Federal Reserve Board Email comments

Dear Email comments,

pretty amazing that one teller says it is absolutely impossible to waive these fees. As long as you know certain people, it is completely the opposite. Final point being, these fees are outrageous and I hope one day, a civil suit will put an end to them.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mrs. T. Nusser
