Federal Reserve Board Email comments

Dear Email comments,

After the federal government gave hundreds of billions to bankers so they could give themselves billions in bonuses, buy nice new jets, and redecorate their opulent offices, the banks take more! They charge people money with no warning to cover overdrafts. This also is wrong.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Sean Ellington
