Federal Reserve Board Email comments

Dear Email comments,

I am weary of financial companies doing things with my money over which

I have no control. It really is nearly impossible to live in this world without using their services, but why does that mean I have to be without options?

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Ms. Sharon Peralta  
Springvale, ME 04083-6305
