Federal Reserve Board Email comments

Dear Email comments,

The banks already get enough of my money. I should be able to choose the kind of overdraft protection I want. I think I should also be able to negotiate the fees with my bank--they shouldn't have all the power.

I keep a lot of money in banks, and don't really get anything for it. It's time for consumers to stop being doormats. You are my voice in Congress--tell them what I want.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Ms. Denise Burchard
