Federal Reserve Board Email comments

Dear Email comments,

I would like to know just what the hell the senate and the congress have been doing for the last 20 years? Especially for the last 8 years. Nothing works anymore. The government has let every alphabet agency run amuck or do nothing and get top pay wile doing it. the banks are corrupt and as far as I am concerned so is the whole of congress and the senate.

The best way to rob a bank is to own one.

We all know the government of Mexico is corrupt but you all are running a close second!!

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Don York
