Dear Email comments,

The only way to stop this legal way of fraud and theft is to outlaw
lobbyism.

This gives the card companys legal right to buy our lawmakers allowing
them the legal right to sell their decision making vote.

Aslong as we have the current lobbyism system it will be impossible to
have a government for the people.

Please allow me the chance to opt-in to overdraft services. This is the
only way that I will truly feel protected.

Sincerely,

Mr. Jerry Furnish
