Dear Email comments,

I'm a small businessman and just like the government..... the banks have grown to big for their own good. Why do you let them getaway with what they do and ruin the country financially??? Everything should NOT be about money..... what happened to giving service?? I'm against letting the banks keep ripping the public off!!!! Please Help.....

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Stanley Trusler
