Federal Reserve Board Email comments

Dear Email comments,

The banks have had a field day raising interest rates and levying fees on consumers. It's time that we continued the movement for "change" in cleaning up the abuses that the banks have made policy unobstructed.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Curt Salke  
Northport, NY 11768-1626
