Federal Reserve Board Email comments

Dear Email comments,

The fees that banks can extract from the consumer without even giving the opportunity to make the account right are unconscionable. after billions of bail outs they need to consider a less greedy profile. overdrafting snowballs while the consumer was, perhaps, only a few dollars short in their acct. USURY

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mrs. NANCY TICE
