Dear Email comments,

I understand your greed for the nearly \$8 billion you charge for overdraft fees, but this is unethical, immoral, and inhumane, and you know it. I'm sick and tired of the greedy elite at the top enslaving the masses through economic slavery. This is but one example. I say we should stop putting our money in the bank altogether. There is absolutely no reason for overdraft fees, other than pure greed.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Ms. Melesa Kuehn
