Dear Email comments,

We the consumers are watching how banks do business. It becomes the decision makers buisness to then get consummers THEIR CHOICE to opt-in to overdraft coverage before they"re charged for it!
THIS IS UNEXCEPTABLE. Please do this for the citizens of our country.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Ms. lorrie pappas
