Federal Reserve Board Email comments

Dear Email comments,

The American people have had enough of being taken advantage of by corporations driven by greed.

Things are going to change. Please give your support to those of us whom you represent and not the corporate lobbyists who now seem to run our government.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Michael Bissett
Houston, TX 77080-1735
