Federal Reserve Board

Dear Federal Reserve Board:

Because my bank, J. P. Morgan Chase, constantly "manipulates" my account I have been printing out my online banking statement almost every day for a month to show the way that on one day a check will show as cleared and then the next day a larger check appears that they clear and move the smaller check up in the list - it's difficult to explain but I am sure you know what I mean. It's an outrage and people are being significantly ripped off. I have confronted Chase about it many, many times with little or no satisfaction.

Sincerely,

Joyce Landry
