Dear Email comments,

We the consumer needs laws passed to protect us from this thievery!!!
Lawmakers, banks and the credit card industry should be ashamed of
themselves since this especially hurts our lower economical society.
Please look past the money these companies/industries have put into
your coffers and give us some protection from these vultures.
PLEASE!!!!!!

Please allow me the chance to opt-in to overdraft services. This is the
only way that I will truly feel protected.

Sincerely,

Ms. Sue McDermott
