**Advanced Notice of Proposed Rulemaking
Procedures to Enhance the Accuracy and Integrity of Information
Furnished to Consumer Reporting Agencies**

National Consumer Law Center (on behalf of its low-income clients) ("NCLC"),¹ as well as Consumer Action,² Consumers Union,³ the National Association of Consumer

¹The National Consumer Law Center is a nonprofit organization specializing in consumer credit issues on behalf of low-income people. We work with thousands of legal services, government and private attorneys around the country, representing low-income and elderly individuals, who request our assistance with the analysis of credit transactions to determine appropriate claims and defenses their clients might

Advocates,⁴ Privacy Rights Clearinghouse,⁵ and World Privacy Forum⁶ submit the following comments regarding the Interagency Advanced Notice of Proposed Rulemaking concerning procedures to enhance the accuracy and integrity of information to consumer reporting agencies (“CRAs”).⁷ Specifically, the Federal Trade Commission and the federal banking agencies (collectively the “Regulators”) have asked whether to require furnishers to provide the account opening date in order to ensure the integrity of information furnished to CRAs.

We strongly support a requirement that furnishers provide account opening date information. Such a requirement would benefit consumers, as well as credit grantors. As the Regulators know, a significant factor in credit scoring models is the length of credit history, *i.e.*, age of the consumer’s account. Fair Isaac has stated that 15% of a consumer’s credit score is based on this factor.⁸ Obviously, the account opening date determines the age. Yet many accounts do not include this date or do not provide an

have. As a result of our daily contact with these practicing attorneys, we have seen numerous examples of invasions of privacy, embarrassment, loss of credit opportunity, employment and other harms that have hurt individual consumers as the result of violations of the Fair Credit Reporting Act. It is from this vantage point – many years of dealing with the abusive transactions thrust upon the less sophisticated and less powerful in our communities – that we supply these comments. *Fair Credit Reporting* (6th ed. 2006) is one of the eighteen practice treatises that NCLC publishes and annually supplements. These comments were written by Chi Chi Wu, editor of NCLC’s *Fair Credit Reporting* treatise, with the assistance of Carolyn Carter and Charles Delbaum of NCLC, Richard Rubin, and Joanne Faulkner. They are submitted on behalf of the Center’s low-income clients.

² **Consumer Action** (www.consumer-action.org) is a national non-profit consumer education and advocacy organization founded in San Francisco in 1971. The organization’s hallmark is its free multilingual consumer education materials distributed through a national network of 9,000-plus non-profit and community-based agencies. In addition, Consumer Action serves consumers and its members nationwide by advancing consumer rights, referring consumers to complaint-handling agencies and training community group staff on the effective use of its educational materials. Consumer Action also advocates for consumers in the media and before lawmakers and compares prices on credit cards, bank accounts and long distance services.

³ **Consumers Union**, the nonprofit publisher of *Consumer Reports* magazine, is an organization created to provide consumers with information, education and counsel about goods, services, health, and personal finance; and to initiate and cooperate with individual and group efforts to maintain and enhance the quality of life for consumers. Consumers Union’s income is solely derived from the sale of Consumer Reports, its other publications, and noncommercial contributions, grants and fees. Consumers Union’s publications carry no advertising and receive no commercial support.

⁴ The **National Association of Consumer Advocates** (NACA) is a non-profit corporation whose members are private and public sector attorneys, legal services attorneys, law professors, and law students, whose primary focus involves the protection and representation of consumers. NACA’s mission is to promote justice for all consumers.

⁵ The **Privacy Rights Clearinghouse** is a nonprofit consumer education and advocacy organization based in San Diego, CA, established in 1992. accurate date. We have an informal estimate from a reliable source who reviews many credit reports that as many as 3 in 10 tradelines might not include the account opening date.

Just as importantly, furnishers must be required to furnish the REAL date of account opening. As with the Date of First Delinquency, there is a significant problem with debt collectors and debt buyers providing a date that is much later than the actual date that a credit account opened. Instead of the real account opening date, debt collectors and debt buyers will use the date of purchase or assignment of the account, making the account seem newer than its actual age. This has a significant impact on the credit score, not only for the “age of account” factor, but because it will impact how negatively scoring models will consider a defaulted account. As the Regulators know, the older the default, the less impact it has on a credit score.

Unfortunately, the CRAs via their trade association, the Consumer Data Industry Association, contribute to this problem, and indeed may have created it. The CDIA’s instructions for its Metro 2 reporting format permit debt collectors and buyers to use the purchase date as the date of account opening.⁹ This is inherently deceptive and misleading – the purchase date is not the date the account was opened – and has a significant impact on a credit score.

Another benefit of supplying an accurate date of account opening is to help avoid duplicate accounts, or at least help consumers identify which accounts are duplicate. As the Regulators know, there is a significant problem with accounts being reported twice or more on consumers’ credit reports, especially since furnishers often change account numbers when the debt is charged off, transferred, sold, or assigned. A consistent, accurate date of account opening could help identify which tradelines refer to the same debt or obligation.

An important concern regarding account opening dates arises if a consumer files for bankruptcy. The age of the account becomes vitally important as to whether it is treated as discharged and also as to the credit score. If the account opening date is before the filing of bankruptcy, any dischargeable debt should be considered discharged in bankruptcy. For this reason, the agreement for injunctive relief in *White v. Experian Info. Solutions*, a nationwide settlement involving all three major nationwide CRAs that changes how they report tradelines discharged in a no-asset Chapter 7 bankruptcy, specifically relies on the account opening date in some of its provisions. For example, certain provisions require the CRAs to apply an Agreed-upon Bankruptcy Coding to any installment loan, mortgage, or revolving credit tradeline with an account opening date prior to the filing of bankruptcy, with certain exceptions.¹⁰ This Agreed-upon Bankruptcy Coding requires the CRAs to code the tradeline to indicate that the account

¹⁰ Approval Order Regarding Settlement Agreement and Release, *White v. Experian Information Solutions, Inc.*, Case No. cv 05-01070 (C.D. Cal. Aug. 19, 2008), at pp. 20-22. A copy of this Order is attached to this comment. NCLC was co-counsel in this case.

was discharged in bankruptcy, and to update the tradeline to reflect a zero-dollar or blank account balance.¹¹

Another provision of the injunction in *White* requires the CRAs to apply the Agreed-upon Bankruptcy Coding to any collection account with a date of first delinquency, date referred to collection, OR account opening date prior to the bankruptcy.¹² Obviously, the account opening date should be earlier than the other two dates. Yet an incorrect account opening date could allow the tradeline to be incorrectly reported without bankruptcy coding. For example, this could occur if a debt is not delinquent when a bankruptcy is filed, but the creditor sells the account to a debt buyer when the consumer ceases to pay after filing for bankruptcy. If the debt buyer uses the purchase date as the account opening date, that date will be later than the filing of bankruptcy. The debt will appear as a post-bankruptcy collection tradeline, when it was in fact discharged in bankruptcy and should, according to *White*, appear as such on the credit report.

Conversely, a non-delinquent credit account with an account opening date after the conclusion of a bankruptcy would be considered a “new line of credit.” Some mortgage lenders will require the existence of a new line of credit, showing paid as agreed, if a consumer wants to apply for a new home loan after a bankruptcy. A consumer who does not have enough “new credit established” would be denied the new home loan. A consumer who opens a new credit account after bankruptcy and faithfully pays on that account might not see the benefit of this payment when applying for a mortgage if there is no account opening date, because the mortgage lender won’t be able to confirm that the account is a post-bankruptcy account.

For these reasons, it is vitally important that furnishers be required to provide the account opening date in all tradelines, and that the date be accurate. Debt collector/buyer furnishers (as well as the CRAs) should not be permitted to report the date of purchase or assignment of the debt as the account opening date. Finally, the CRAs should be required to disclose the account opening date, as well as other critical dates such as the Date of First Delinquency, on credit report disclosures to consumers.

AND RELATED CASES.

1 WHEREAS, on or about October 3, 2005, plaintiff Jose Hernandez filed an action
2 against Defendants in the United States District Court for the Northern District of
3 California, in which he asserted claims on behalf of a putative nationwide class of
4 consumers relating to each of Defendants' procedures for reporting pre-bankruptcy debts
5 of consumers who have obtained discharges through Chapter 7 bankruptcy proceedings
6 (the "Hernandez case");

7 WHEREAS, on or about November 2, 2005, plaintiff Terri N. White¹ filed separate
8 actions against each of the Defendants in this District, in which she asserted claims on
9 behalf of a putative nationwide class of consumers relating to each of Defendants'
10 procedures for reporting and reinvestigating pre-bankruptcy debts of consumers who have
11 obtained discharges through Chapter 7 bankruptcy proceedings;

12 WHEREAS, on or about August 11, 2006, plaintiff Jose Hernandez and the White
13 plaintiffs filed three separate Second Amended Consolidated Class Action Complaints,
14 one against each Defendant ("Second Amended Complaints");²

15 WHEREAS, in these actions, the Plaintiffs allege that each Defendant willfully
16 and/or negligently violated and continues to violate the Fair Credit Reporting Act
17 ("FCRA"), 15 U.S.C. § 1681 *et seq.*, by allegedly failing to maintain reasonable
18 procedures to assure the accurate reporting of debts that have been discharged in
19 bankruptcy. Plaintiffs contend that each Defendant's current procedures, under which
20 Defendants rely primarily on creditors and public record vendors to report the discharged
21 status of debts and judgments, are unreasonable procedures under the FCRA. They
22 further allege that Defendants fail to employ reasonable reinvestigation procedures

23
24 ¹ The original named plaintiffs in the action against Equifax were Terri N. White, Robert Radcliffe, Chester Carter, and Milagros Gabrillo. The original
25 named plaintiffs in the action against Experian were Terri N. White, Robert Radcliffe, Chester Carter, and Arnold E. Lovell, Jr. The original named plaintiffs
26 in the action against TransUnion were Terri N. White, Robert Radcliffe, Chester Carter, and Maria Falcon. Collectively, these plaintiffs are referenced herein as the
"White plaintiffs."

27 ² The Second Amended Complaints added two new plaintiffs: Clifton C. Seale, III, and Alex K. Gidi. On October 19, 2007, plaintiffs Terri N. White,
28 Alex K. Gidi, and Milagros Gabrillo were dismissed by court order.

1 pursuant to the FCRA. Plaintiffs assert claims for (i) willful and/or negligent violation of
2 Section 1681e(b) of the FCRA and its California counterpart, Cal. Civ. Code Section
3 1785.14(b), for failure to maintain reasonable procedures to assure maximum possible
4 accuracy; (ii) willful and/or negligent violation of Section 1681i of the FCRA and its
5 California counterpart, Cal. Civ. Code Section 1785.16, for failure to reasonably
6 investigate Consumer disputes regarding the status of the discharged accounts; and (iii)
7 violation of California's Unfair Competition law, Bus. & Prof. Code Section 17200, *et*
8 *seq.*;

9 WHEREAS, in or around September 2006, Defendants answered the various
10 Second Amended Complaints, denying the allegations therein, denying that the actions are
11 suitable for certification pursuant to Federal Rule of Civil Procedure 23, and asserting
12 numerous affirmative defenses that Defendants contend are meritorious notwithstanding
13 their willingness to enter into a settlement;

14 WHEREAS, Defendants contend that their current procedures for reporting and
15 reinvestigating the discharged status of debts are both reasonable and comply fully with
16 the requirements of the FCRA and equivalent states laws;

17 WHEREAS, plaintiff Jose L. Acosta, Jr., filed an action against TransUnion in
18 California Superior Court on or around May 12, 2003, and later filed a new action against
19 TransUnion in federal court on August 14, 2006 joined by plaintiffs Robert Randall and
20 Bertram Robison,³ and plaintiff Kathryn Pike filed an action in California Superior Court
21 against Equifax on or around October 14, 2005, in which they also asserted claims on
22 behalf of a putative California class of Consumers relating to TransUnion's or Equifax's
23 procedures for reporting pre-bankruptcy debts of consumers who have obtained
24 discharges through Chapter 7 bankruptcy proceedings;

25 WHEREAS, each of these cases has been either filed, transferred, or removed such
26 that they are before this Court under the following case numbers: *Terri N. White, et al. v.*

also dismissed his California Superior Court action.

6 *Services, LLC*, Case No. CV 05-1172 (collectively, the “Litigation”);

7 WHEREAS, Plaintiffs in the various cases have undertaken substantial
8 investigation and formal discovery in the Litigation (including review of tens of thousands
9 of pages of documents, retention and consultation of numerous experts in the fields of
10 credit reporting and consumer bankruptcies, interviews with numerous Consumers, review
11 of thousands of Consumer credit reports, and numerous depositions), in support of the
12 prosecution of the Litigation and settlement negotiations relating thereto;

13 WHEREAS, on or about August 15, 2007, this Court urged the Parties to proceed
14 to mediation and, since then, the Parties have conducted arms-length and contentious
15 negotiations during the course of a lengthy and complicated mediation that has included
16 six in-person sessions with the Hon. Lourdes Baird (Ret.) and several additional sessions
17 involving counsel for the Parties;

18 WHEREAS, in this Court’s prior rulings and comments to counsel, the Court has
19 urged the Parties to reach agreement concerning alternative procedures for Defendants to
20 report pre-bankruptcy tradelines and has expressed its general approval of procedures
21 involving the use of assumptions regarding the likely discharge status of pre-bankruptcy
22 tradelines, commenting that such procedures “promise to significantly reduce the number
23 of inaccuracies inhering in the credit reports that [Defendants] prepare in the future”
24 (Order Denying Approval of Stip. Pltf. Class, dated Mar. 6, 2007 in CV 06-5060 DOC
25 (MLGx), at 29:11-13) and observing that the prior settlement attempt in *Pike/Acosta* “was
26 pretty close” (Mot. for Sum. Jud. Hrg Tr., Aug. 15, 2007, Vol. II 23:25-24:2);
27
28

1 WHEREAS, Defendants have objected to the use of assumptions in reporting the
2 discharged status of pre-bankruptcy debts, contending that it would inevitably introduce
3 certain inaccuracies onto the credit Files of consumers and that changing to new
4 procedures based on assumptions poses a risk of harming consumers' credit scores and
5 their ability to obtain credit;

6 WHEREAS, Plaintiffs believe that procedures using certain assumptions regarding
7 the discharged status of pre-bankruptcy debts will, on balance, make credit reports more
8 accurate than previously and that the negative impact, if any, on individual consumers'
9 creditworthiness will be outweighed by the benefit to such consumers and collaterally to
10 the public of having more accurate reports;

11 WHEREAS, the Parties have now agreed to a Settlement Agreement incorporating
12 new procedures that make use of assumptions regarding the likely discharged status of
13 certain pre-bankruptcy tradelines and civil judgments, and these procedures and
14 assumptions are crafted so as to reduce the potential harm to consumers from their
15 adoption;

16 WHEREAS, Plaintiffs and the proposed 23(b)(2) Settlement Class Counsel believe
17 that the Settlement Agreement provides fair, reasonable, and adequate relief to the
18 23(b)(2) Settlement Class, and is in the best interests of the 23(b)(2) Settlement Class as a
19 whole because they believe that it will increase the accuracy of credit reports that
20 Defendants will issue in the future regarding all or nearly all 23(b)(2) Settlement Class
21 members;

22 WHEREAS, Defendants deny all claims asserted against them in the Litigation,
23 deny that class certification would be appropriate if the cases are litigated rather than
24 settled, deny all allegations of wrongdoing and liability, deny that anyone was harmed by
25 the conduct alleged, and deny that this Court has authority to issue an injunction or
26 declaratory relief, but nevertheless have agreed to the terms and conditions set forth in the
27 Settlement Agreement to avoid the burden, expense, risk and uncertainty of continuing the
28

1 proceedings on those issues in the Litigation, and to put to rest the controversies
2 engendered;

3 WHEREAS, the parties have filed a Joint Motion and Stipulation for an Approval
4 Order that would direct Defendants to use the new credit reporting procedures set forth in
5 the Settlement Agreement and that would fully and finally settle Plaintiffs' claims for
6 injunctive and declaratory relief;

7 WHEREAS, the Court has reviewed and considered the Settlement Agreement and
8 having found that there exists substantial and sufficient grounds for entering this Approval
9 Order ("Order");

10 **I. JURISDICTION AND VENUE**

11 1.1 This Court has federal question jurisdiction pursuant to 28 U.S.C. Section
12 1331, as a civil action arising under the laws of the United States, and
13 pursuant to 15 U.S.C. Section 1681(p), as a civil action to enforce liability
14 under the FCRA. Supplemental jurisdiction is conferred on this Court
15 pursuant to 28 U.S.C. Section 1367 over all claims based on State law
16 pleaded in the Litigation on the ground that they are so related to claims
17 within its original jurisdiction that they form part of the same case or
18 controversy under Article III of the U.S. Constitution.

19 1.2 The Defendants do not contest venue.

20 **II. DEFINITIONS**

21 2.1 As used in this Order, the terms defined below shall have the meanings
22 assigned to them when capitalized in the same fashion as in this Part II, and
23 any other terms that relate to the credit reporting industry shall have the
24 customary meaning accorded to those terms in the credit reporting industry.

25 2.2 "Agreed Bankruptcy Coding"

26 a. For civil judgments, "Agreed Bankruptcy Coding" means the
27 Defendant shall change the status of the judgment to indicate that the
28

1 judgment was discharged in bankruptcy and that no amount remains
2 owing on the judgment. This may be accomplished by status code,
3 public record type, narrative code, or other reporting so long as the
4 updated record is adequately described as discharged, dismissed,
5 satisfied, paid, included in bankruptcy or vacated. The Defendant
6 may use, *inter alia* and without limitation, the terminology “civil
7 judgment included in bankruptcy” or “included in bankruptcy”, or --
8 to accommodate field restrictions or other technological constraints --
9 a reasonable abbreviation of this phrase, such as “CVL JGMT IN
10 BKCY.” Each may employ reasonable definitional language for this
11 terminology, in its communications with furnishers, consistent with
12 the terms of this Order. The Defendant will also set the amount of
13 the judgment equal to zero or, in their sole discretion, they may blank
14 out that field, so as to indicate that no debt is due or owing after the
15 discharge date. Alternatively, the Defendant may delete or suppress
16 the judgment from the File.

- 17 b. For tradelines or Collection Accounts, “Agreed Bankruptcy Coding”
18 means the Defendant shall code the tradeline or Collection Account
19 with a Consumer Information Indicator (CII Code; Base segment
20 field 38) of E (or such other Defendant-specific or Metro 1 coding
21 equivalent) to indicate that the account is discharged in the
22 Consumer’s Chapter 7 bankruptcy (e.g., by use of the terminology
23 “included in bankruptcy”) and shall update the tradeline or Collection
24 Account to reflect a zero-dollar or blank account balance and past
25 due balance as to the Consumer who received the bankruptcy
26 discharge, so as to indicate that no debt is due or owing by the
27 Consumer after the discharge date. Nothing in this Order shall
28

1 prevent or sanction the Defendant from deleting or suppressing
2 tradelines or Collection Accounts from the File. Defendants will also
3 implement reasonable procedures designed to prevent the subsequent
4 reporting of a new status, rating, account balance, past due balance,
5 Major or Minor Derogatory payment history, or narrative for
6 tradelines or Collection Accounts as to such tradelines or Collection
7 Accounts that have been updated pursuant hereto (except where such
8 reporting is permitted by other provisions of this Order).

9
10 2.3 “Agreement” or “Settlement Agreement” means the Settlement Agreement
and Release submitted by the Parties.

11 2.4 “Approval Date” means the date the Court enters this Order.

12 2.5 “Bankruptcy Date” means the month during which—according to the
13 applicable Defendant’s computer systems—a Consumer filed a bankruptcy
14 petition that later led to a public record in the Consumer’s File of the entry
15 of a discharge order pursuant to Chapter 7 of the United States Bankruptcy
16 Code. The “Bankruptcy Date” may be reflected as the “date filed” in the
17 public records section of a Consumer’s File.

18 2.6 “Closed Account” means that an account is reporting with a zero balance
19 and has a narrative or other code indicating any of the following: (a) that the
20 account has been closed by a consumer or creditor; (b) that the account has a
21 Current Status; (c) that the account has been transferred, sold, lost or stolen;
22 (d) or that the account is an installment loan that has been paid in full.

23 2.7 “Collection Account” means an account identified by a Defendant as
24 reflecting the collection activity of a third party collection agency or debt
25 buyer on behalf of the original creditor.

26 2.8 A “Consumer” is an individual, residing in the United States of America or
27 its territories, whose File in a Defendant’s systems includes a public record

- 2.11 “Date of Initial Delinquency” or “DID” means the first month during which a Major or Minor Derogatory event is reported for a tradeline, as shown in the applicable Defendant’s records. Based upon differences in reporting methods, each Defendant may, at its option, use such dates as the Purge Date, Date of First Delinquency or Date of Last Activity to determine the DID for purposes of compliance with this Order.
- 2.12 “Defendants” mean Equifax Information Services LLC, Experian Information Solutions, Inc, and TransUnion LLC.
- 2.13 “Discharge Date” means the month shown by a Defendant in the public records section of a Consumer’s File as reflecting a discharge pursuant to Chapter 7 of the United States Bankruptcy Code. The “Discharge Date” may be reflected as the “date paid” in the public records section of a Consumer’s File.

2.19 “FCRA State Equivalents” means any statute or regulation of any state, U.S. territory, the District of Columbia, or Puerto Rico, that has the purpose or effect of regulating the collection or reporting of consumer credit information subject to the FCRA (including, without limitation, the California Consumer Credit Reporting Agencies Act (“CCRAA”), Cal. Civ. Code Section 1785.1 *et seq.*).

2.20 “File” means a “file,” as defined in 15 U.S.C. Section 1681a(g), in a Defendant’s computer system that contains a public record of a Consumer having received a discharge pursuant to Chapter 7 of the United States Bankruptcy Code.

2.21 “Final” refers to this Court’s entry of this Approval Order with respect to Plaintiffs’ claims for declaratory and injunctive relief becoming final because either (i) no appeal of the Order has been filed and the time within which an appeal may be filed has lapsed, or (ii) if a timely appeal has been filed, the appeal is finally resolved, with no possibility of further appellate review, resulting in final judicial approval of the Settlement Agreement. For purposes of this paragraph, the term “appeal” includes writ proceedings.

2.22 “Last Reported Status” means the account rating or status of a tradeline (e.g., current, past due 30 days, charge-off) as of the date the respective creditor last reported information relating to that tradeline to a Defendant.

2.23 The “Litigated Issues” means: (1) Defendants’ post-discharge reporting of Consumer credit information relating to pre-bankruptcy debts or civil judgments; (2) Defendants’ reinvestigations of Consumer disputes asserting that certain debts or civil judgments had been discharged in bankruptcy but were not being reported as such in Defendants’ credit files; and (3) all other issues actually pleaded in the complaints on file in the Litigation or reasonably related thereto.

III. IMPLEMENTATION OF REPORTING CHANGES

3.1 Retroactive Scrub: Defendants will make the changes identified in this section to all active Files, including, for Equifax, Files owned by CSC Credit Services, Inc., in the computer systems that they use to generate credit reports for commercial distribution; provided, however, Defendants may but are not obligated to update archived Files, except to the extent archived Files are accessed to generate current credit reports. Defendants will update each pre-bankruptcy judgment, tradeline, or Collection Account in such Files, or ensure that credit reports generated from such Files display, in accord with the procedures set forth below. In determining which set of procedures to apply to an entry, Defendants may make reasonable assumptions based upon other information within the File or provided by the Consumer.

a. Pre-bankruptcy civil judgments shall be treated as follows:

- (i) The Defendant shall identify each public record judgment in the File that is reported with either a month filed or a month of judgment (or both) that predates or is equal to the Bankruptcy Date.
- (ii) From these judgments, the Defendant shall exclude any judgment that is reported as vacated, satisfied, paid, settled or included in bankruptcy.
- (iii) For judgments not so excluded, the Defendant shall apply the Agreed Bankruptcy Coding.
- (iv) Notwithstanding the above, nothing herein shall require the Defendant to apply the Agreed Bankruptcy Coding to any item it reasonably assumes or believes to be statutorily non-dischargeable, including without limitation: (i) judgments

obtained by governmental child support agencies, taxing authorities, or arising out of governmental fines or penalties; (ii) tax liens, whether or not reduced to judgment; (iii) judgments obtained by Sallie Mae or otherwise arising out of non-dischargeable student loan obligations; (iv) judgments relating to alimony or other domestic support or property settlement obligations; or (v) judgments that were the subject of a successful objection to discharge. The Defendant may thereafter continue to report the judgment as owing and will not be required to change the record, absent clear evidence that the debt has, in fact, been discharged.

- b. Pre-bankruptcy tradelines with a Metro 2 Portfolio Type of I (Installment) or M (Mortgage) (or equivalent) shall be treated as follows:
- (i) The Defendant shall identify each tradeline with a Metro 2 Portfolio Type of I or M (or such other Defendant-specific or Metro 1 coding equivalent) that is reported in the File with a date opened month that predates or is equal to the month of the Bankruptcy Date and is not a Closed Account as of the Bankruptcy Date or, at the Defendant's option, the date the scrubbing is accomplished.
 - (ii) From these tradelines, the Defendant shall undertake to exclude any tradeline that:
 - (A) is reported with a Metro 2 account code type (or such other Defendant-specific or Metro 1 coding equivalent) of 12 (Education), 50 (Family Support), 65, 66, 67, 68, 69, 70, 71

(B) is reported with an account status reflecting a Chapter 7 bankruptcy;

(C) is reported with a Metro 2 Consumer Information Indicator of R (Reaffirmation of Debt) or 2A (Lease Assumption) or such other Defendant-specific or Metro 1 coding equivalent; and/or

(D) is reported with an indication that property was redeemed, voluntarily surrendered, or was subject to a deed in lieu of foreclosure.

(iii) For tradelines not so excluded, where the Last Reported Status of the tradeline in the File is a Major Derogatory status, the Defendant shall apply the Agreed Bankruptcy Coding.

c. Pre-bankruptcy tradelines with a Metro 2 Portfolio Type of “R” (Revolving), “C” (Line of Credit) or “O” (Open Account) (or equivalent, or indeterminable) shall be treated as follows:

(i) The Defendant shall identify each tradeline in a File with a Metro 2 Portfolio Type of R, C or O (or such other Defendant-specific or Metro 1 coding equivalent) that is reported with a “date opened” month that predates or is equal to the Bankruptcy Date and is not a Closed Account as of the Bankruptcy Date or, at the Defendant’s option, the date the scrubbing is accomplished.

- (iii) For each tradeline not so excluded, the Defendant will change the tradeline according to the following rules:
- (A) If the tradeline contains a DID that predates or is equal to the Bankruptcy Date and the Last Reported Status in the File is a Major Derogatory status, then the Defendant shall apply the Agreed Bankruptcy Coding;
 - (B) If the tradeline contains a DID that postdates the Bankruptcy Date and the Bankruptcy Date is on or any date up to six months preceding the date of the file output used to determine and accomplish the changes ordered herein and the Last Reported Status of the tradeline in the File is a Major or Minor Derogatory account status, the Defendant shall apply the Agreed Bankruptcy Coding; and

(iv) The provisions of this Section 3.1(c) are not intended to apply to tradelines coded as Authorized User.

d. Pre-bankruptcy Collection Accounts shall be treated as follows:

(i) The Defendant will identify each tradeline identifiable as a Collection Account (by means readily available, to include, by example only, account type, subscriber code, industry code, account status or account narrative), that is not reported in the File as a Closed Account, reaffirmed or as a “lease assumption” as of the Bankruptcy Date or, at the Defendant’s option, the date the scrubbing is accomplished with any of the following conditions: a DID that predates or is equal to the Bankruptcy Date, a date opened month that predates or is equal to the Bankruptcy Date, or a date referred to collections month that predates or is equal to the Bankruptcy Date.

(ii) From these accounts, the Defendant shall undertake to exclude any Collection Account that is reported

(iii) For each such Collection Account not so excluded, the Defendant shall apply the Agreed Bankruptcy Coding.

e. Nothing shall preclude a Defendant from applying the Agreed Bankruptcy Coding to a tradeline or Collection Account that would have qualified for inclusion in the Retroactive Scrub but for the fact that no information was available regarding when that tradeline or Collection Account was opened.

3.2 Prospective Relief Reporting Changes: Defendants will make the changes identified in this section to Files of Consumers for whom Defendants receive notice of a Chapter 7 discharge after the retroactive scrub procedures described in Paragraph 3.1 have been fully implemented. Within 60 days of adding a public record entry reflecting a Chapter 7 discharge to a Consumer's credit File, Defendants will update each pre-bankruptcy judgment, tradeline, or Collection Account in that File, or ensure that credit reports generated from such Files display, in accord with the procedures set forth below. In determining which set of procedures to apply to an entry, Defendants may make reasonable assumptions based upon information within the File or provided by the Consumer.

a. Pre-bankruptcy civil judgments shall be treated as follows:

- (iii) For each such Collection Account not so excluded, the Defendant shall apply the Agreed Bankruptcy Coding.
- (iv) If, after the update in the previous paragraph is completed, a furnisher reports a Collection Account that had not previously been reported on the credit File, which has a DID that predates or is equal to the Bankruptcy Date, a date opened that predates or is equal either to the month of or to the month prior to the Bankruptcy Date, or a date referred to collection that predates or is equal either to the month of or to the month prior to the Bankruptcy Date, the Defendant shall update the account in accordance with the previous paragraph. In the alternative, the Defendant can choose not to add the new Collection Account to the Consumer's File.

e. Nothing shall preclude a Defendant from applying the Agreed Bankruptcy Coding to a tradeline or Collection Account that would have qualified for application of the changes identified in this section 3.2 but for the fact that no information was available regarding when that tradeline or Collection Account was opened.

3.3 Bankruptcy Status Dates: Defendants will implement reasonable procedures designed to prevent updating the date of last update (Date Reported, Balance Date, Date Verified or, for Experian, date of status, last reported, and balance date) to a date that is more than one month after the Discharge Date in connection with an update of any tradeline, judgment or Collection Account pursuant to the procedures in Paragraphs 3.1 or 3.2; provided, however, that this provision shall not prohibit Defendants from reporting a later date of last update to reflect that information has been received from a furnisher on a date that is more than one month after the Discharge Date,

1 whether or not such furnisher update is accepted or rejected pursuant to the
2 procedures set forth in Sections 3.1, 3.2 and 3.4 of this Order; provided
3 further, however, that any such reporting of a later date of last update shall
4 not change either the “Included in Bankruptcy” date or the “Purge Date.”

5
6 3.4 Override of Update Procedures:

7 a. If, either before or after a tradeline or Collection Account is updated
8 pursuant to the procedures in Paragraphs 3.1 or 3.2, (a) a furnisher
9 reports to the Defendant that a tradeline or Collection Account for
10 that furnisher should not be reported with a status of included or
11 discharged in bankruptcy through the use of a special Consumer
12 Information Indicator (such as CII Code Q or a Metro I equivalent) or
13 (b) the Defendant determines that a debt in the tradeline or Collection
14 Account was non-dischargeable, the Defendant may report such
15 tradeline or Collection Account in a non-bankruptcy status, provided
16 that the Defendant has not previously received truthful, objectively
17 verifiable information directly from the Consumer in connection with
18 a non-frivolous/non-irrelevant request for reinvestigation indicating
19 the debt was in fact discharged.

20 b. If a Consumer submits a non-frivolous/non-irrelevant request for
21 reinvestigation that claims a judgment, tradeline, or Collection
22 Account updated by a Defendant to reflect a discharge pursuant to the
23 procedures in Paragraphs 3.1 or 3.2 should not have been so updated
24 because the judgment, tradeline, or Collection Account had not been
25 discharged in bankruptcy, the Defendant may issue a Consumer
26 Dispute Verification form (“CDV”) or Automated Consumer Dispute
27 Verification (“ACDV”) to the relevant furnisher and, upon receiving
28 the furnisher’s response to the CDV or ACDV, it may thereafter

1 report information consistent with the information the furnisher
2 provided.

3 3.5 Notice of New Procedures: Defendants shall notify furnishers of the new
4 procedures set forth herein as well as of their responsibility to report
5 accurate information about accounts discharged in bankruptcy. Such
6 notification may be given in any reasonable manner as the Defendant may
7 choose as part of or in connection with Defendant's notification to
8 furnishers, pursuant to 15 U.S.C. § 1681e(d)(1), of furnishers'
9 responsibilities under the Fair Credit Reporting Act, and addition of such
10 notification to (or transmission with) the form described in 16 C.F.R. Part
11 698, Appendix G, shall not cause any Defendant to lose the legal benefit of
12 the safe harbor provisions set forth in 15 U.S.C. § 1681e(d)(2) and 16
13 C.F.R. § 698.2, or of any analogous safe harbor provision of state law.
14 Nothing in this Order shall require a Defendant to notify a furnisher when it
15 applies the Agreed Bankruptcy Coding to alter its reporting of the civil
16 judgments, tradelines, and/or Collection Accounts in a specific Consumer's
17 File or when it otherwise alters a File pursuant to the provisions of this
18 Order.

19 3.6 Implementation Grace Period: Defendants shall not be in violation of this
20 Order based upon any failure to comply that is a result of inadvertent
21 programming errors or due to a failure to predict the consequences of
22 applying the procedures herein to data reported in the Metro 1 format.
23 Defendants shall correct any such non-compliance promptly after it is
24 brought to their attention and shall take reasonable steps to confirm the
25 effectiveness of any programming changes.

26 3.7 Preservation of Reinvestigation Rights: Nothing in this Order shall waive
27 any Consumer's right to request a reinvestigation pursuant to 15 U.S.C. §

3.8 Nothing in this Order shall preclude Defendants from correcting erroneous reporting that a consumer has or has not filed for bankruptcy or has or has not received a bankruptcy discharge or to correct any reporting resulting from a furnisher's coding error.

3.9 This Order does not require any changes to a tradeline, judgment, Collection Account, or any portion of a File, except as provided for herein.

IV. TIMETABLE FOR IMPLEMENTATION OF REPORTING CHANGES

4.1 Defendants shall make reasonable and good faith efforts to implement the reporting changes contemplated herein prior to September 1, 2008. If a Defendant is unable to comply with this deadline for good cause, the Defendant shall receive a reasonable extension of time sufficient to permit implementation to be completed. Defendants shall work together in good faith to reasonably coordinate the timing of implementation.

Notwithstanding these provisions, Defendants shall complete implementation of these changes on or before March 31, 2009.

4.2 Notwithstanding the foregoing, if a credit file exists for purposes of holding information that could not be matched to a specific Consumer's File, such file need not be updated as set forth in this Order until the month following the date on which such file is matched to a specific Consumer's File.

V. REASONABLENESS OF NEW PROCEDURES AND PROTECTION AGAINST FUTURE CLAIMS BASED ON ERRORS ARISING FROM UPDATES

5.1 The new procedures, as described in Part III above, require Defendants to assume that certain categories of pre-bankruptcy consumer debts have been discharged in Chapter 7 bankruptcies based on the statistical likelihood of

1 discharge of these categories of debt, and without either the affected
2 creditors or Consumers reporting the debt to Defendants as having been
3 discharged. Plaintiffs contend that adoption of these procedures will
4 improve the overall accuracy of the reporting of pre-bankruptcy debts for
5 such Consumers and that they have offered substantial evidence to support
6 such contention.

7 5.2 Defendants believe that the new procedures will introduce some inaccurate,
8 potentially harmful information onto the credit Files of certain 23(b)(2)
9 Settlement Class members as well as those of certain Consumers who would
10 be subject to the new procedures on a prospective basis. Defendants
11 contend that this information may impair those Consumers'
12 creditworthiness, including their ability to use pre-bankruptcy accounts that
13 they may have intended to exclude from the bankruptcy discharge and their
14 ability to obtain new post-bankruptcy credit.

15 5.3 The Parties have negotiated at length to craft procedures that attempt to
16 provide benefits to many Consumers while attempting to manage any harm
17 to the creditworthiness of other affected Consumers. For this reason,
18 Plaintiffs and Defendants believe that, despite the Defendants' assertion of
19 potential harm to certain Consumers' creditworthiness and the
20 reasonableness of their existing procedures, the new procedures are a
21 reasonable procedure to assure the maximum possible accuracy of the
22 information appearing in Defendants' Files for Consumers receiving
23 Chapter 7 discharges.

24 5.4 This Court finds that the procedures set forth in this Order in Section III are
25 reasonable procedures to assure the maximum possible accuracy of
26 Defendants' reporting of credit information regarding Consumers who have
27 received a discharge pursuant to Chapter 7 of the United States Bankruptcy
28

1 Code. These reporting procedures hereby are conclusively deemed to
2 comply with the FCRA, including but not limited to Section 1681e(b) of
3 that Act, as well as with all FCRA State Equivalents.

4 5.5 The procedures set forth in Section 3.4(b) of this Order are reasonable
5 procedures for conducting reinvestigations of Consumer disputes asserting
6 that any credit information in the disputing Consumer's File is inaccurate
7 due to a discharge pursuant to Chapter 7 of the United States Bankruptcy
8 Code received by the disputing Consumer before initiating the dispute.
9 These reinvestigation procedures hereby are conclusively deemed to comply
10 with the FCRA, including but not limited to Section 1681i of that Act, as
11 well as with all FCRA State Equivalents.

12 5.6 This Order shall preclude all future litigation or attempted litigation under
13 the FCRA or FCRA State Equivalents regarding the reasonableness of
14 Defendants' post-discharge reporting of Consumer credit information
15 relating to pre-bankruptcy debts or civil judgments, as well as the
16 reasonableness of Defendants' procedures for reinvestigations of Consumer
17 disputes regarding the same, brought by any and all Consumers receiving
18 bankruptcy discharges after the date of this Order. Consumers hereby are
19 precluded from contending, absent a fundamental change in circumstance,
20 that the procedures set forth in this Order are not reasonably designed to
21 assure maximum possible accuracy under Section 1681e(b) and Section
22 1681i of the FCRA and/or under the analogous standards of FCRA State
23 Equivalents.

24 **VI. DISPUTE RESOLUTION PROCESS**

14 this Court certifies a 23(b)(2) Settlement Class defined as all Consumers
15 whose credit Files include a Discharge Date prior to the month of the
16 Approval Date.

17 8.2 Certification of the Settlement Class shall be solely for settlement purposes
18 and without prejudice to the Settling Parties in the event that the Settlement
19 does not become Final or otherwise does not take effect, in which case
20 certification of the Settlement Class shall be vacated and shall have no
21 effect. In addition, under such circumstances, the terms and provisions of
22 this Order and of all orders certifying or preliminary certifying any claim or
23 subclaim pursuant to the Settlement Agreement shall become null and void
24 and of no further force and effect and shall not be utilized in the Litigation
25 or any other proceeding for any purpose, and the parties shall be restored to
26 the Status Quo Ante.

IX. FINAL JUDGMENT APPROVING SETTLEMENT AND DISMISSING CLAIMS FOR INJUNCTIVE RELIEF AND DECLARATORY RELIEF OF 23(B)(2) SETTLEMENT CLASS MEMBERS WITH PREJUDICE AND RELEASE OF CLAIMS BY SETTLEMENT CLASS MEMBERS

9.1 The Court finds that the new credit reporting procedures as described herein and in the Settlement Agreement are fair, reasonable and adequate and are in the best interests of the 23(b)(2) Settlement Class. The Court further finds that the Settlement, as a whole, is fair, reasonable and adequate and is in the best interests of the 23(b)(2) Settlement Class.

9.2 The Settlement is hereby approved pursuant to Federal Rule of Civil Procedure 23(b)(2).

9.3 Pursuant to Federal Rule of Civil Procedure 54(b), the Court determines there is no just reason to delay entry of this Approval Order until a final resolution of the Litigation is reached. The Court further determines that only the declaratory and injunctive relief claims of Plaintiffs are subject to

9.4 Upon this Approval Order becoming Final, Plaintiffs and each member of the 23(b)(2) Settlement Class, their respective spouses, heirs, executors, administrators, representatives, agents, attorneys, partners, successors, predecessors and assigns and all those acting or purporting to act on their behalf with respect to their TransUnion and/or Equifax and/or Experian credit report(s), shall conclusively be deemed to have fully, finally and forever released, relinquished and discharged the Released Parties from and against any and all of the Released Claims. No 23(b)(2) Settlement Class member may exclude him or herself from the provisions of the Settlement governing the 23(b)(2) Settlement Class, including without limitation the release of past and future claims for injunctive or declaratory relief relating thereto.

9.5 The Court shall retain jurisdiction to resolve the Plaintiffs' remaining claims, to resolve any future disputes arising out of the terms and conditions of the Settlement, and to effectuate the Settlement. The Court shall likewise retain jurisdiction to address any issue of attorneys' fees and costs that may be unresolved by the Parties, provided, however, that nothing herein is intended to or shall be construed as a finding that Plaintiffs are entitled to an award of attorneys' fees or costs, or as a waiver of any ground on which Defendants may oppose, or Plaintiffs may support, an award of attorneys' fees or costs.

9.6 This Approval Order shall be entered as to Plaintiffs, Defendants and all 23(b)(2) Settlement Class members.

X. NO ADMISSION OR FINDING OF LIABILITY

10.1 Defendants have denied, and continue to deny, each and all of the claims and allegations in the Litigation. Defendants have asserted and continue to assert many defenses thereto and have expressly denied and continue to deny any fault, wrongdoing or liability whatsoever arising out of the conduct alleged in the Litigation. Nothing in this Order is intended to be, or may be construed as, or may be used in any proceeding as, an admission by, or finding against, any or all Defendants of any fault, wrongdoing or liability whatsoever, or any infirmity of any defenses asserted by any or all Defendants, including, without limitation, arguments in opposition to any motion for class certification. Defendants continue to expressly deny any fault, wrongdoing or liability whatsoever, as well as the validity of each of the claims and prayers for relief asserted in the Litigation.

10.2 Defendants deny that a class should be certified other than for purposes of this Settlement. Nothing in this Order is intended to be, or may be construed as, or may be used in any proceeding as, an admission by, or a finding against, any or all Defendants that any or all of the elements for certifying a class under Rule 23(b)(2) or 23(b)(3) have been established.

XI. OTHER PROVISIONS

11.1 23(b)(2) Settlement Class Counsel shall comply with Rule 5-120 of the California Rules of Professional Conduct in making any extra-judicial statements regarding the Settlement. 23(b)(2) Settlement Class Counsel may respond to direct communications from clients or potential clients.

11.2 Headings for Convenience Only. The headings in this Order are for the convenience of the reader only and shall not affect the meaning or interpretation of this Order.

11.3 Change in Law: The provisions of Sections III and IV shall terminate prospectively and Defendants shall have no further obligation or liability thereunder in the event of any change in federal law which either (a) permits the reporting of information which in form or substance would otherwise be barred by this Order; or (b) prohibits anything required by this Order; and, in either such event, Defendants shall be entitled to report such information and conduct themselves in accordance with such federal law. If a change by the United States Supreme Court, the Ninth Circuit or federal regulation is otherwise contended by the Defendants to be a permission as specified in (a) above or if any case law or regulations are otherwise changed in a manner that Defendants contend to be a prohibition as specified in (b) above, then Defendants may seek a ruling from this Court, upon such notice to 23(b)(2) Settlement Class Counsel, that Defendants are entitled to report in accordance with such change, and Defendants shall be entitled to report and conduct themselves in accordance with this Court's ruling thereon. In the event of any change covered by this Paragraph, the remaining terms of this Order shall remain in force and effect.

19 **XII. ATTORNEYS' FEES AND RELATED NONTAXABLE EXPENSES**

20 12.1 Pursuant to Fed. R. Civ. P. 54(d)(2), a motion for "attorneys' fees and
21 related nontaxable expenses shall be made by motion . . . no later than
22 14 days after the entry of judgment" unless otherwise ordered by the
23 Court. The Court hereby declares that it will resolve issues related to
24 attorneys' fees and related nontaxable expenses after the remaining
25 causes of action are resolved. The attorneys' work related to the relief
26 granted in this Order is inextricably intertwined with the attorneys'
27 work related to the remaining causes of action. The Court will be able

to better determine the appropriateness of attorneys' fees and nontaxable expenses at one time, at the conclusion of the action.

12.2 No claims for attorneys' fees or nontaxable expenses will be waived by the failure to file a motion for such within 14 days of the entry of this judgment. Instead, the parties are directed to wait until the conclusion of the remaining causes of action to resolve these issues.

IT IS SO ORDERED.
