Federal Reserve Board

Dear Federal Reserve Board:

If CRA had covered more lenders, the economic collapse wouldn't have been so drastic or could have been avoided altogether. Please expand and modernize CRA to cover more lenders to protect communities and borrowers like me.

Many friends & family have lost their homes and now homes are for sale cheaper than 20,000. That makes no sense.

If CRA had covered more lenders, the economic collapse wouldn't have been so drastic or could have been avoided altogether. Please expand and modernize CRA to cover more lenders to protect communities and borrowers like me.

Sincerely,

V. S.
