Federal Reserve Board

Dear Federal Reserve Board:

If CRA had covered more lenders, the economic collapse wouldn't have been so drastic or could have been avoided altogether. Please expand and modernize CRA to cover more lenders to protect communities and borrowers like me.

Our mortgage is with a predatory lender. They made a mistake in their computer and started causing us trouble from 12/08. However, I battled and I WON. I SHOULD NOT HAVE HAD TO BATTLE. I will be glad to tell you my whole story in person. This mortgage crap has to stop. People who are trying to and want to keep their homes are suffering.

Put the right legislation in place. When you keep people in their homes, the economy will start turning around.

Sincerely,

LENORE WOSSIDLO
