Federal Reserve Board

Dear Federal Reserve Board:

If CRA had covered more lenders, the economic collapse wouldn't have been so drastic or could have been avoided altogether. Please expand and modernize CRA to cover more lenders to protect communities and borrowers like me.

Suntrust Bank screwed up my accounts so badly that I had to report them to the Federal Government. They were rude and obnoxious. I closed out my accounts & went to a credit union in Massachusetts. I have not any problems since & I get treated like a queen. I would never trust my money with any bank in the State of Florida.

Sincerely,

Susan Massaconi
