Federal Reserve Board

Dear Federal Reserve Board:

If CRA had covered more lenders, the economic collapse wouldn't have been so drastic or could have been avoided altogether. Please expand and modernize CRA to cover more lenders to protect communities and borrowers like me.

I am 60 year old male, and have been unemployed for over 3-1/2 years now; what are the chances that anyone will hire me again? Between divorce and crashing home values, I will TOTALLY depend on social security alone for survival. I just hope that I make it until then...

Sincerely,
